Fiat

Fiat voluntas tua: let it be done

Fiat matches volunteers' time, skills and prayer with Catholic organisations in Singapore that need them. The Catholic Foundation reviews every organisation and request. Each time you serve, pray or share the faith, you meet a saint, so giving becomes a journey of faith.

Works on a phone or a laptop. On a phone you can also add it to your home screen.

Three ways in

Fiat looks different depending on who you are. Try all three to see the full story: an organisation asks for help, the Catholic Foundation approves it, and a volunteer answers.

PART 1

Give your time as a volunteer

Log in `maria@fiat.sg` / `fiat-2026`. Tap **Log in** at the top right (or **Menu** → Log in on a phone).

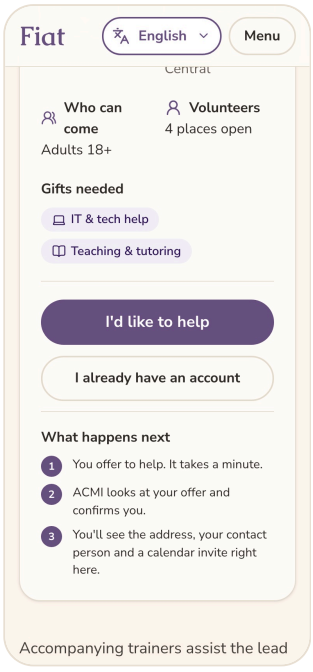

The home page

Find a cause

A cause and its details

Offer to help

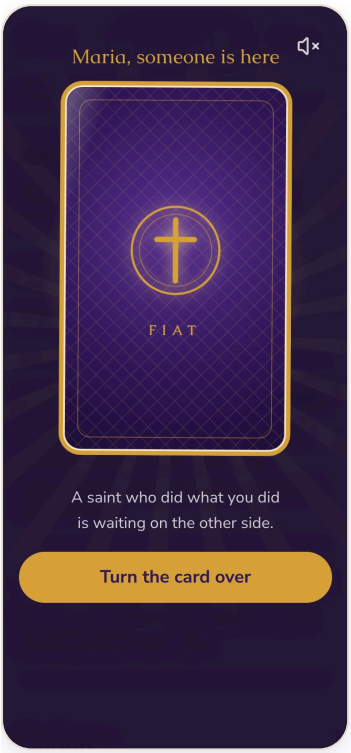

1. **Find a cause.** Open **Find a cause** to see what organisations need right now. Use *Filter by gift, day or place* to narrow it down, or switch to *See the difference made* to read about finished causes.
2. **Open one.** Each cause shows when and where it is, who can come, how many places are open and which gifts (skills) are needed, along with the organisation's story.
3. **Offer to help.** Tap **I'd like to help**. The organisation reviews your offer, and once they accept you, you see the address, a contact person and a calendar invite.
4. **Pray for it.** Not able to go? Light a candle for any cause using the prayer form on its page.
5. **Follow your causes. My causes** lists the causes you've offered to help and where each offer stands.

> Fiat translates itself. Use the **English** button at the top of every page to switch language.

PART 2

Meet the saints

Every act of service or faith brings a saint who did the same. Their holy card, with their story, a quote and a short prayer, joins your collection.

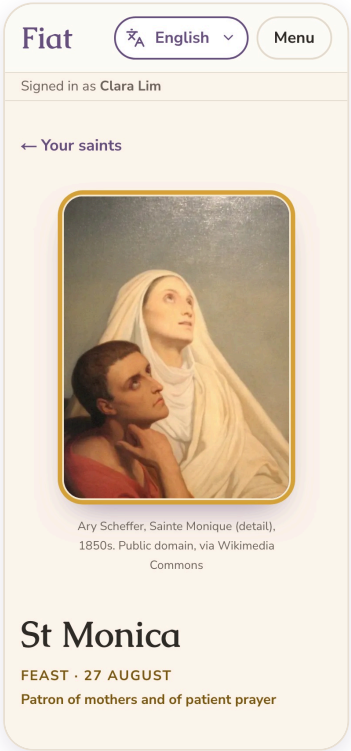

A saint is waiting

As Maria, a card appears right after you log in: *"Maria, someone is here."* Tap **Turn the card over** to meet the saint you've just earned.

How saints are earned

1. **Serving.** Offering to help and checking in at a cause each bring a saint, matched to the kind of cause (seniors, migrants, the sick and so on).
2. **Faith steps.** Praying for a cause, inviting a friend to Fiat, bringing a friend to Mass, going to a parish event, a faith course or a retreat.
3. **Missions.** The **Missions** page suggests small steps, events, courses and retreats, each linked to a saint.
4. **Little discoveries.** A few bonus saints are hidden around the app for curious visitors. Hint: keep an eye on the home page and the bottom of the page.

Clara Lim has met every saint. Open **Saints** in the menu to see her whole collection of holy cards, then tap any card to read that saint's story, feast day, patronage, quote and prayer, with its sources.

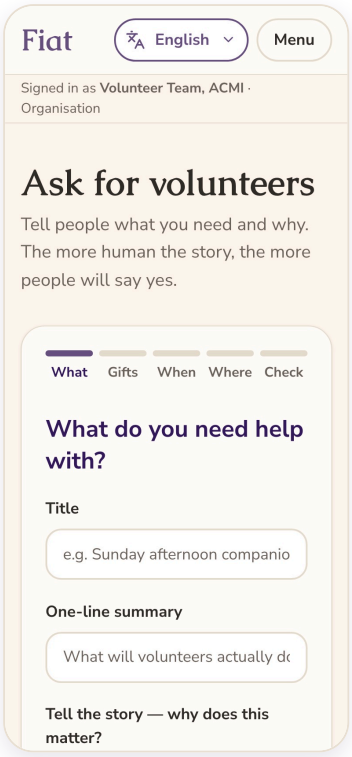

Signed out, or as a new volunteer, the same page shows the locked cards and a hint for how to meet each one.

PART 3

Ask for help as an organisation

Log in `acmi@fiat.sg` / `fiat-org-2026`

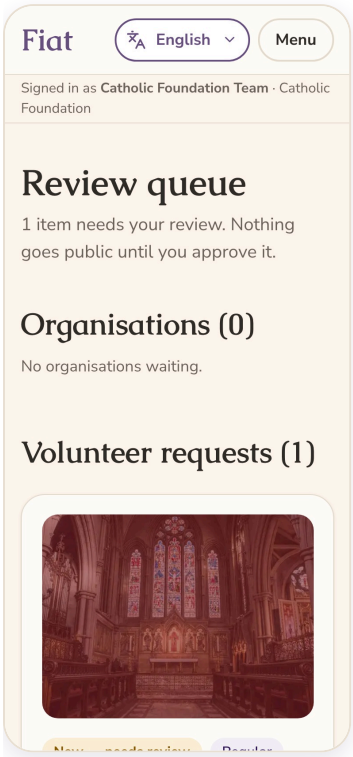

1. **Our requests** lists every request with its status and the people waiting to hear back.
2. Tap **+ Ask for volunteers** (or **New request**). A short five-step form covers *What, Gifts, When, Where* and *Check*. The request goes to the Catholic Foundation for review.
3. Open a request to see who offered to help, with their contact details and matching skills, and **accept or decline** each one.
4. Post updates as the work goes on, then **mark the request complete** with what was achieved. It then appears under *See the difference made*.
5. **Our profile** is the organisation's public page: its story, history and why the work matters.

PART 4

Review as the Catholic Foundation

Log in `cf@fiat.sg` / `fiat-cf-2026`

1. The **Review queue** lists new organisations and volunteer requests. Nothing goes public until it's approved.
2. For each one, **approve**, **reject** or **ask for changes** with a comment the organisation will see.
3. **All requests** and **All causes** give an overview of everything on Fiat.

Try the full loop in five minutes

1. As **ACMI**, post a new request.
2. As the **Catholic Foundation**, approve it in the Review queue.
3. As **Maria**, find it in *Find a cause* and offer to help.
4. Back as **ACMI**, accept Maria's offer.
